Letter to the MHHS Seniors - Class of 2022

The Mountain Heritage Class of 2022 has survived four unique years during your high school career. It is hard to believe that your freshman year was the only full traditional year of high school as we all know it. Despite all the turmoil and strife, each one of you overcame the numerous obstacles and you did it! Throughout these difficult pandemic years, you chose to rise above and you will cross the graduation stage at the end of May truly understanding grace, compassion and grit. Your parents, family members, community, and the entire YCS family are so proud of your passion and perseverance.

As you begin your new journey I have a few words of advice:

While traveling on the hills and valleys of life, I encourage you to remain optimistic, strong, resistant, appreciative of your freedoms, family and friends. As many things in life, the choice is yours.

Will you be willing to take a risk or be afraid of failure?

Will you be committed and follow through with your goals?

Will you remain a lifelong learner?

Only you can honestly answer these questions. Henry David Thoreau once said, "Go confidently in the direction of your dreams! Live the life you've imagined." Your teachers and parents have prepared you well for this next leg of the journey. Our hope and prayer for each of you is to stay focused, stay positive, use your talents and new found skills to explore life to the fullest. Go forward and make a difference in your family, your community and your workplace. It is your time to create your own stories and make your own positive memories for a good life.

My message to each of you awesome, strong young people as I close is one of my favorite Irish blessings: "May the road rise to meet you. May the wind be always at your back. May the sun shine on your face. May the rain fall soft upon your fields. And until we meet again, may God hold you in the palm of his hand."

Godspeed,
